Subject: OCMP - Status of Profiles

Craig,

I am emailing to provide you an update on the status of the solid and liquid profiles for OCMP. I am still waiting to receive and review all of the profiles. I will send the profiles to you for your review as soon as possible, hopefully by the end of the day tomorrow. Should you wish, I would be happy to provide a partial submission based on what we have received thus far. Note that any profiles in this partial submission would be preliminary.

Please feel free to contact me if you have any questions or concerns.

Best,
Lydia
